I'm trying to figure out what makes sense travel wise. JE said he would like to go to this dinner, and then have wheelsup at 12am midnight after the dinner to LSJ.

He did not...thing is, y'all will have to check out of your rooms well before this party begins (this is sunday night! I thought JE wanted to leave late Saturday actually...)

JE wanted to see the list of attendees...I am starting to think he may have just wanted me to see that he had received a list...but, not sure...he is definitely invited to this and if he is all the way there, why not attend!
