Enjoying the Outdoors:

The sporting life at Meadowood includes golf, tennis and croquet. Unique to Meadowood is the chance to learn from Golf Pro Doug Pike, Tennis Pro Doug King or one of our engaging Croquet instructors. All are available for private lessons during your stay. We do recommend reserving time with them in advance of your arrival. A 4.5 mile hiking trail surrounding the estate with a meditative spiral along the way offers yet another opportunity to enjoy our tranquil, beautiful outdoor environment.

Dining & Wine:

The Restaurant at Meadowood features a modern approach to Napa Valley cuisine that Chef Christopher Kostow describes as "approachable, dynamic, evocative and playful." We are excited to share with you that **Chef Kostow and The Restaurant** have been awarded **Three Stars** from the esteemed **Michelin Guide** (one of only two in the western United States) and **Four Stars** from the **San Francisco Chronicle**. These articles are attached for your reading pleasure.

While The Restaurant is acclaimed, it enjoys an elegantly casual environment in keeping with Napa Valley's country setting. Gentlemen, when joining us for dinner your jackets may accompany you or be given the night off. On the topic of denim, there's no arguing that it is a fabric integral to the lives of Napa Valley vintners and growers, for which Meadowood is a traditional gathering place. If this is your attire preference, well-kept denim in a dark shade is preferred in The Restaurant at Meadowood.

The Restaurant Bar & Terrace open at 5:30 p.m. for evening cocktails and wine accompanied by a bar menu featuring selected items from The Restaurant. Dinner service in The Restaurant begins at 5:30 p.m.

For casual meals, The Grill is open for breakfast, lunch and dinner daily. Seating is offered both indoors and on the terrace overlooking the fairways and croquet lawns, weather permitting. For meals served in the privacy of your guest room, simply place your order with In Room Dining.

If you'd like to take your wine knowledge to the next level during your stay, you may wish to reserve time with our Director of Wine Education, Gilles de Chambure, MS. Having a Master Sommelier in residence dedicated exclusively to enhancing guests' knowledge and enjoyment of wine is unique to Meadowood and reflective of our commitment to our local winegrowing community. We're proud to be able to offer a series of on- and off-site learning opportunities under the guidance of such an experienced and knowledgeable mentor.

Wellness & Relaxation:

The Health Spa at Meadowood and the swimming pools open each morning at 6:00 a.m. should you wish to begin your day with a workout. Complimentary fitness classes are offered daily and are detailed in the nightly turndown letter you will find in your guest room each evening. Appointments for relaxing and rejuvenating spa treatments begin at 8:00 a.m. We do recommend arranging spa appointments prior to your arrival to secure the times that best suit your schedule.

For more detailed descriptions of services, activities, amenities and upcoming events at Meadowood, we invite you to visit www.meadowood.com.

It has been our pleasure to be of service in arranging your reservation. We look forward to welcoming you!

Kind regards,

Hayley Russell
