Yae! finally got JE's ear...I am making a copy of a past registration form...I told him again he needs to take the copy of updated phone numbers with him (he said they are up on 6...then he said "I'm going up there" and went upstairs)...but I will remind Sue again and give her this copy of the past registration.

I am working from home tomorrow...Rich, Emad and Harry are all taking a vacation day tomorrow...Bella is already on vacation *due back on July 8...Sarah is on vacation (driving to Maine w/Story now) due back on July 6th in the office. Sue is going with JE to PB. Rich Barnett will be at the house tomorrow and so will Lyn/Jojo.
