oh my gosh!! Any possible way Dangene can do 6:30?! (I;m so sorry and Jeffrey apologizes...we are trying to organize a helicopter demo and because of the weather, the time of arrival of the helicopter keeps changing and they are only allowed to park for 20 minutes, so it is a small but very exact window we are trying to deal with! Now that the heli is truly in the air and close by we have exact timing...soooo, long story, short- Can they do 6:30!!!!!!!!!!!!)
