I am working from our office today at 301 East 66th Street (corner of 2nd and 66th) I will be here till about 4pm today...but I can always leave an envelope with the doorman downstairs and you can pick up at your convenience. I will put your name on the envelope. Does this sound ok?

Thank you Lesley, I'm actually working not far from your place, so I could come to pick it up after if you'd be there. Do you know till what time are you going to stay?
