Great. Send invoice as soon as you get it because payment of the fee must be received by New Mexico Environment Department within 30 days of the date the permit is issued, which based on the attachment you sent us appears to be May 31, 2011. By my count, that means that the payment must be received by NMED not later than June 30, 2011. Rich please set this on your calendar and coordinate with Ranch personnel to make sure that this gets paid timely. Lesley, please put June 30, 2011, as well as June 23 and June 16 as reminders about payment of the discharge permit fee.
