Wow. Sorry to have missed all that 'fun'! Ok. I sure hope the mood lightens up today. It rained on us all day here yesterday and it appears will do the same today. Even Ty didn't like it much! We had spent the money already though so we are making the best of it. I brought rain ponchos! :) [REDACTED]

That added fuel to the fire saying how everything is disorganized. My reply was "I organized her, but took it for granted that it's common sense to bring an ID with you when flying, but will be sure to remind everyone from now on regardless". Then he was on a roll with the car thing. Of course it made sense to rent a car!!! They are there for 2 nights! And then he was just looking for things to be wrong, ie, he sent an email I forgot to pack his computer charger when it was in his bag the whole time. Anyways..that's the story of yesterday!
