We are no longer there. We moved awhile ago actually.

Lesley,

Do you work out of Jeffrey's office in New York -- Villard House? I probably have old information.

Hi Gi. That all sounds just fine. There will be a welcome letter left with the doorman which will have the code for the door (no keys).

Take care. Lesley

Morning Lesley,

Just wanted to shoot you a quick email to let you know Jerry's schedule for his trip to New York. He (and Doug) will be arriving mid-morning on July 6th. He said they would just drop their bags off before their first appointment, as long as that is not a problem. They will be leaving mid-morning on July 8th. If you can send me instructions with respect to picking up the key, etc., I would appreciate it.

Thanks again for all your help on this. Hope you have a wonderful weekend.

Gi

My computer is messed up so excuse any typos. Jerry asked me to check to see if the apt is also available for the night of 7th. I was not aware he wanted 2 nights so I apologize
