Thank you so much. I was just checking in, as many people don't like giving financial info online.

Hello. I hope this note finds you very well!

I am writing on behalf of my daughter Caitlin. She is leading the "Young NYC" team in the Take Steps Walk for Crohn's research this June 11 at the South Street Seaport in New York City. Caitlin and the 16 friends she's put together for the team have been working hard to raise funds for the walk, which is sponsored by the Crohn's and Colitis Foundation of America (CCFA), New York Chapter. I am writing to see if you would consider supporting the team.

The goals of Take Steps are to raise awareness of Crohn's and Colitis, show solidarity with the appx. 1.4 million Americans who have an Inflammatory Bowel Disease (IBD) including Caitlin (diagnosed April 2008) and to raise money for research into treatments and cures. There have been a lot of exciting breakthroughs in understanding digestive diseases, and promise of even more to come, but funds are urgently needed! It is our fervent hope that a cure for Crohn's will be established in Caitlin's lifetime.

Life for a 16 year old with Crohn's can be very challenging, and for Caitlin it makes the juggling act of high school all the more intense. Helping others has been a great way for Caitlin to feel better about her own struggles. For the past 3 years she has donated her time weekly, including tutoring at the Harlem Academy and working the dinner crew at our church's Friday night soup kitchen. Now she is adding the CCFA to her community services. She is very determined to reach her team goal of raising \$1,500 for the walk.

If you feel moved to donate simply copy and paste the link

<http://online.ccfa.org/goto/caitlinyoungnyc>

into your browser, which will take you to Caitlin's Take Steps page where you can make a donation by clicking "Support Caitlin Now!" Also, pass the word if you know someone else who might want to support the effort to find cures for these diseases.

Thank you. With much love and gratitude,

Woody
