I will let her know that 10N will be available for cleaning after 12:00 tomorrow and must be done. 11B will need to be cleaned too...I'm sure that will not be an easy task! I will see if [REDACTED] can get both done tomorrow.

Shelly will be out of 10N by noon tomorrow. We will need [REDACTED] to clean 10N so [REDACTED] and [REDACTED] can move in there tomorrow, then clean 4M. [REDACTED] should be out of 11B by tomorrow as well. (not sure what time yet)
