Bill--that was fun last night. Much to think about. See below--i think I win bet despite my information source's comment. [REDACTED] guessing your credit is good for a dollar.

Am learning more about basis step up?

Hope you didn't bet a lot (or that you have flexibility in closeness).

Subject: Question

I have a bet w bill gates. Do u have at hand the change in life expectancy at 40 from 1950 to 1980 and from 1980 to 2010.

He thinks most gains before 1980. I think pretty even pace.

Hope to get together soon.
