these are directions from when Bill was here...

TO CHECK VOICEMAIL:
1.   Dial 1-877-355-7656
2.   Press star (*) at the prompt
3.   Enter your extension and password. If you have not changed your voicemail password, it will be your extension.
4.   Press the pound key (#)

This should get you access to your voicemail. You may want to create a new contact on your cell phone so that this information is readily available.
