In this month's [Haute Living New York](#), it's all about the boys. Our annual men's issue is jam-packed with the latest news on the world's most influential men. Now online, the inside scoop on your favorite men is [just a click away](#).

Delve into an up close and personal look at fourth-generation restaurateurs and brothers [Ignazio and Maggio of the illustrious Cipriani legacy](#). Learn about the family's history and what exciting venture the brothers are taking on next. Still hungry? Check out our round-up of [New York's best steakhouses](#) to find the perfect spot for your next protein fix and our [Kitchen Confidential](#) interview with The Lion's executive chef John DeLucie.

Because we know boys love their [toys](#), we bring you all the info on the [new 2012 Acura TL](#), recently named Car of the Year, and an exclusive preview of [Ralph Lauren's curated collection of high-profile sports cars](#) presented at The Musee des Arts Decoratifs in Paris, France.

For the well-dressed man, this issue of *Haute Living* also brings you info on [Antonio Paone](#), president of Kiton USA, the brand that has become known as being a top luxury clothier. Their decades-old operation, started by Paone's uncle, Ciro Paone, and a select group of Neapolitan tailors, has stood the test of time because, as we all know, classic luxury never goes out of style.

We also take a look at spring's new, lighter men's fashions with [Max Girombelli of Duca Sartoria](#), essential accessories for the [chic jet-setting man](#), a piece by founder of Capcom Co. Ltd.-turned-vintner [Kenzo Tsujimoto](#), and the latest in home furnishing trends with contemporary designer [Bobby Berk](#) and the [newest stand-out pieces](#).

In one of his final interviews, we present an inside look at the late [Bijan Pakzad](#), the king of luxury men's fashion. His talent and impeccable style rocketed him to the top of the ranks in the industry, leading him to be one of the fashion world's most respected men. Make sure you check out our in-depth tribute to this legend.

And because it can't all be about the men (sorry, fellas), we feature [Ivanka Trump](#) in our new section dedicated to powerful women making a difference, Women of Substance. Find out the latest on this young entrepreneur, businesswoman, TV star, author, and philanthropist, including a look at her exciting new ventures. Additionally, check out an interview with [chef Anna Boiardi](#) of Chef Boyardee Family fame, and spring's bright new [fashions](#) and [accessories](#).
