Hello Katherine. Just left you a voicemail but wanted to email you too!

Jeffrey is wondering if you would like to come by the house tonight at 6:30. Leon Black will be here as well and could make for some interesting conversation. Please let me know if you are available.

I also forwarded you an invitation for the premier of The Normal Heart on Monday April 25th at 8pm here in NY. Jeffrey is wondering if you could attend with him.

Hope to hear back from you soon.

Thank you,
Lesley
