Jeffrey unfortunately cannot do a call tomorrow morning at 10am. He says he could do 8:30 or 9:00am...would that work?

Mr. Epstein:

We understand you are out of the country. It is extremely important that we speak to you on a conference call this Wednesday, April 6th, preferably in the morning, eastern daylight time. We have picked that date in order to be prepared to discuss with you the information we need for an amended complaint with enough time to revise and file by April 11 as ordered by the Judge today. We are asking Marty to join if he can. We also need to discuss present issues with Judge Carney and upcoming proceedings in the Bankruptcy Court.

We also feel strongly that we have an in person meeting with us and Marty as soon as possible. We are asking you to cut short your trip in Europe if possible to do so. There are now pending matters in six cases: Edwards, Bankruptcy Court, CVRA, and three new victim cases. In addition to the need of having a consistent theme/strategy we need to guard against the risk of additional criminal matters. We cannot proceed on six separate but inter related matters without discussing an overall strategy, which in our judgment cannot be done effectively on the phone or by email.

We have just finished an hour call with Darren explaining why this is necessary. I will be sending you an email tomorrow outlining what is occurring.

Sincerely yours,

Joe Ackerman
