Morning! Please see below. We have 2 apartments for guests these days (11B- Larry's and 10N). I show no one staying during her timing. Please advise if ok for [REDACTED] to stay in an apt.

Hi [REDACTED],

Hope you're well and thriving!

I'm hoping to be in NY from Sunday, April 24, to Wednesday, April 27. I'd love to stay at [REDACTED].

Would you mind checking into that for me?

Thanks! I hope this can work!!

xo
