ok. I think Ty will have to miss Bouncing Bears...unless it stops raining and they could walk. I could stop in at the Chevy place after work and ask them their best deal and see if they have a floor model for sale.

Whatever it is that needs to be fixed is not in stock and they can't tell her how long it is going to take. she also doesn't know if what needs to be fixed is under warranty...She says she can drive Javier's car in the interim...i told her this week we will be ok, but come next week we may rent a car...she said she would rather drive Javier's car than a rental. But really, she should drive the Jag, me the merc (cause it's registered with NEW Canaan parking) and you the rental. Unless i can call NC parking authority and ask them if i can park a rental with my sticker.
