PREVIEW THE ACTION

Soldier of Love is only the sixth studio album the band Sade have released during their 25 year career, and the first since *Lovers Rock* in 2000. For Sade herself, as the lynchpin of the group's songwriting effort, it's a simple matter of integrity and authenticity. "I only make records when I feel I have something to say. I'm not interested in releasing music just for the sake of selling something. Sade is not a brand."
