Subject: [REDACTED] apartment does not need cleaning today...

Date: Thu, 13 Oct 2016 11:20:03 +0000

[REDACTED] had her apartment cleaned yesterday so she does not need you to come in today, however, [REDACTED] (and Jeffrey) want to be included on the cleaning schedule again...so next week, please add her to the apartment cleaning for the girls...

I am hoping we can get back to Wed. for the girls cleaning. We have:

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

You will need to advise me on if we can get all 6 girls apartments done on Wed's..with [REDACTED] and perhaps Leo pitching in to help, can we? Of course I realize each week will be it's own individual situation depending on where JE is...but we need to try to stick to a schedule as best we can.

You do not do the girls laundry.

Merwin, Leo: we are getting the extra storage space we requested today from Andrew! [REDACTED] will meet up with him today to obtain it and I have asked that [REDACTED] and [REDACTED] meet up with [REDACTED] so they are aware of where it is and can start moving things in...you two should know where it is as well.

Thanks! [REDACTED]
