Hi [REDACTED] Please read the below. You should go do this as soon as possible today. Do you know where Jeffrey's 4 year passport is? Look in my drawer under my desk in one of the hanging folders with the passport pictures and copies of his passport pages. It should be closer to the front than back of all the folders.

Aziza suggests we go to the Saudi Arabia Consulate today with your passport and ask to speak with Nageete re your visa...she says to tell them when we arrive at gate that you, Jeffrey Epstein, has an invitation from His Royal Highness: PRINCE Mohammed bin Salman and HE: Raafat Alsabbagh to visit their country and it is urgent we speak with Nageete about your visa as he left a voice mail saying he needed to speak with you about the visa. She says if there is any problem to call her on her cell and she will speak to them in Arabic...but she does not think there will be a problem. Would you like [REDACTED] to go to the consulate today with your 4 year passport re your visa?
