It says that it needs to be on Company Letterhead. I would think that an original would be better, but a printed email would be better than no letter.

Dave, Darren can write this letter that is needed for the flight crew...it will only be Karyna going...Does this letter have to be an original or can she print an email?..

Matt is the Aviation Director for the Sultan. The Sultan said in his email to contact Matt. I will say that Karyna and [REDACTED] are flight crew members. We will need on company letterhead a statement indicating that they are employees of our company (JEJE LLC?) This is not required for pilots, but is for flight attendants.

I really don't know...I see Matt's business card, but am not really sure who he is and why he is contacting you...Who put you in touch with Matt?

Dave, We have been instructed by Aziza, the assistant to HE Raafat, to have Karyna and [REDACTED] say they are part of the crew for their visa's also...so when you get the pilots visas, you will need to say Karyna and [REDACTED] (if she goes) are part of the crew for the plane...
