Dear Lesley

As soon as I will know exactly at what time we will be able to see the second work Plant has done I will tell you, we already have a visit at 1.00 PM and are waiting for a second appointment, that's why I suggest Jeffrey or late afternoon the 6th or Wednesday morning the 7th with Plant, but if Jeffrey has a short planning for sure we could meet Tuesday from 3.00 at 71st and could see later a second apartment done

Let me know without problem

Thanks a lot

jean

Good morning Jean. Please let me know, when you can, if Tues. Dec. 6th in the evening or Wed. Dec. 7th is better for you to come to Jeffrey's home in NY with Plant the contractor...either will work!

Thank you,

Lesley
