Les, I have to look in to it, but he is expensive. U can tell him if you want to cut \$20. Let see what he has to answer. I think that you receive confirmation with a basic charge without waiting time

Bella

I wanted you to compare to Citicar who we are using now. Is that who you compared him to? This guy used to work for CarsCo but they got too expensive I think you have compared it correctly and just accidentally typed CarsCo.

So you think this guy John is charging about \$20 more to each location than what Citicar charges? So Citicar charges:

\$45 to LGA
\$65 to JFK
\$85 to Newark

Do I have that correct? Seems like a big difference.

I will ask. I don't understand "and accordingly others". All the rates should be \$20 less than what he is quoted? Or JFK should be \$65 and the other 2 are same rate as Citicar?

Hi Bella. This is the guy that used to run CarsCo. He left and started his own business. Check out his rates. Are they better than Citicar? Or as he says, let him know where he needs to be for our business. 👍
