I do not have a 24 hour urine test from the past year. Attached is his most recent urine test.

Thanks,

Sarah

Hi Sarah...I just left a message for Caroline asking if Jeffrey took a 24 hour urine test prescribed by Dr. Moskowitz a few months ago...can you check his records and see if there are lab results from this? He says he believes this was done through Dr. Moskowitz...

(I actually left Caroline 2 messages as Jeffrey had first asked for a 24 hour calcium test...but he meant a 24 urine test...)

Please let me know!...and email the results to me..

Thanks,

Lesley
