Subject: Is 8A clean? when can we get to 3M?

Date: Tue, 29 Nov 2016 12:02:14 +0000

Is apt 8A clean? Larry is hoping to stay in an apt tonight and until JE leaves on Sat...I know you were not able to clean 3M as of yet and I know today is a busy day...but perhaps 8A is available for him to stay in? Please let me know...also, if it is not clean please let me know when you think it can be cleaned...and when 3M can be cleaned. I can tell Larry he needs to stay in a hotel but if we can get him an apt it would be free vs staying in a hotel...

just let me know what is possible and when ...he could always be in a hotel for a night or 2 and then move...

Thank you! Lesley
