Dear Mr. Jeffrey Epstein

Please re-confirm your attendance for tomorrow night. If your plans have changed please let us know.

On Tuesday, December 13th, Warner Bros. Pictures invites you to join writer/director/producer/actor Ben Affleck and his cast Elle Fanning, Chris Messina, Sienna Miller and Chris Cooper at a special screening and reception for Live By Night.

Please come to Metrograph for a screening at 7:00pm and a reception to follow at 9:30pm.

Taking fatherly advice is not in Joe Coughlin's nature. Instead, the WWI vet is a self-proclaimed anti-establishment outlaw, despite being the son of the Boston Police Deputy Superintendent. Joe's not all bad, though; in fact, he's not really bad enough for the life he's chosen. Unlike the gangsters he refuses to work for, he has a sense of justice and an open heart, and both work against him, leaving him vulnerable time and again-in business and in love.

Driven by a need to right the wrongs committed against him and those close to him, Joe heads down a risky path that goes against his upbringing and his own moral code. Leaving the cold Boston winter behind, he and his reckless crew turn up the heat in Tampa.

Please join this fabulous cast on December 13th.
