>>> Hello Yajaira. I have been corresponding with Vadesa over the last few days in regards
to Jeffrey Epstein and his MRI's Dr. Jess Ting and Dr. Windsor Ting. Vadesa has sent us the
CD of Jeffrey's MRI's taken yesterday morning...but Jeffrey would like the actual report
emailed. Would this be possible? If you need me to type up a letter and have him sign it we
can certainly do this. Yesterday we filed out the paperwork for the CD and had him sign...I
could send you that as well if you like.

have not heard back from her)
