How fabulous! Things are really going well for you! Wishing you all the best in 2017!

I will share the article!! It's snowing here! take care, Lesley

Dear Leslie,

I'm so thrilled to share with you this vanity fair France article published this morning classifying me among their "40 personalities for 2017".

Could you please pass it along to Jeffrey? I'm sure he'll be amused!

My only regret is to be next to Mike Pence on their podium! LOL
