Hello Lesley, I spoke to Darren yesterday and he informed that Jeffrey told him to schedule his departure from PBI on December 28 from Palm Beach to the island, I'm not sure if Darren always shares this information but I wanted to share with you please keep it private until we hear firm schedule, .

I'm sure he could always change it to an earlier departure like Sunday or Monday, but Jeffrey told me he would not depart Palm Beach at the earliest Sunday, which will probably float later in the week I hope take care have a merry Christmas to you Ike and your Family

All the best for a new year thanks Larry
