Dear Jeffrey,

So very happy to think there is more interest in making this happen. We have pulled together a very informal description and budget for the Dick Cavett episode of the *American Masters* series. Of course, we are trying to get these details during the holiday week, so we can't get all the hard numbers we will be able to in a couple of weeks, but we hope this will provide a starting point for discussion. Please let us know what else is needed and we'll get right on it as soon as everyone finished their eggnog.

Warmly, Martha
