Hello Kyeong...and thank you for checking in...I'm afraid Mr. Epstein is asking that you direct all your attention to finishing up the painting in a timely and perfected fashion..below is from him:

this is not right. you had a great deal of time. and recieved the money immediatly , please direct all your attention to finishing it , perfectly, with no excuse. we have been very patient. and now it is wrong

Please let me know if you can devote your time to finishing up and getting the painting to us...

Thank you, Lesley

Hi Lesley

How are you?

I hope your everything is going well.

Actually I need to ask you more time to finish the painting. The painting is still in progress in this moment. I had no enough time to paint recently so I feel it is in 70% now. I don't want to make this painting look cheap with rushed.

I will finish this painting in happy way if you can give me couple more months.

Sometimes detail works of 30% is takes more time than 70% of finished status. I hope you can understand about this. Please let me know how do you think and I'll do my best if you want me to finish this painting sooner. I'm so sorry about postponing every time.

Thank you

Happy Holidays

Best,

Kyeong
