OH NO!!

Ugh - you know .. everyone had this norovirus and had been sick for days the week before New Year's =/ my friend and her entire family were sick at the same time and stuck indoors for days! it's still going around and it's not good. Hopefully you just had food poisoning and it's going away.

Feel better though!

yes...I was violently ill all night long this past Sunday...I am taking it easy with food! I assume it was food poisoning but not sure from what?? i ate chicken broth last night for dinner also! (and no food at all on Monday...all i did was sleep!) yuk...Not really the way I planned the kickoff for a 2017 weight loss! but my tummy is flatter ;)
