Jeffrey has Leon Black coming at 4:30 today...Leon is habitually late, but, this being said, would y'all like to come at 3pm instead, just in case? Jeffrey's calendar will accommodate this...He has an appt out of the house at 1:30 for an hour or so...

Please let me know if you prefer 3:00 or 3:30pm (not sure how much time you want with him)

thanks, Lesley
