How to Send Faxes

1. Open a new email message.
 2. Address it to your recipient's fax number (with country and area code) followed by @metrofax.com.
 3. Attach the documents you want to fax (MetroFax supports virtually all file types).
 4. Click send. You'll receive an email confirming the fax has been delivered.

How to Receive Faxes

1. Someone sends a fax to your MetroFax number.
2. Your fax arrives as an email from MetroFax.
3. When you open the email, your fax will be attached (as a PDF or TIFF document). You can now read, save, print or forward your fax.
