>>> Hope your new year is coming along splendidly! So far - so good for me! Would it be possible to enjoy the accommodations at Chez Slay for ONE more evening? We are coming in May 24 and leaving the following Wednesday the 31st, instead of Tuesday. Better flights, better rates and one more wonderful evening in NYC!!! If its not possible, we'll just have spend the day packing up all our stuff and move to some overpriced hotel. Whatever you can do to not let that happen would be most appreciated as you already know. Cant wait for my much needed vacation! BS 😊
