Hi Lesley,

Just a heads up that my office sent a packet via FedEx to Jeffrey as he requested I do mid-January. It went to the NYC residence. I am currently in California for another few days.

Meanwhile, yesterday slid by without my calling -- I imagine there were a few candles.....I did send regards in the cover letter but also wanted to convey birthday greeting here. Please pass it on.

Stay warm, and thanks.

B

"Space and light and order. Those are the things that men need just as much as they need bread or a place to sleep" Le Corbusier
