Thanks Lesley! Please let me know about the amount of people when you find out. I think it is a good idea to order sushi.

Hi Karyna! So you are going to Harvard tomorrow with Jeffrey!! Last time Jeffrey and [REDACTED] went, [REDACTED] placed an order for sushi that all, including JE, loved...Katherine (Martin's assistant) is asking if you would like to place the order for the sushi again...below is the order information (however, I believe this will be too much as there were more pp there last time) Let me find out how many pp Katherine thinks will be there for lunch...this place will deliver...I would call them in advance to just make sure!

Could you please order from Ebi Sushi in Union Sq via GrubHub?
