Subject: Please send me a picture of your ID

Date: Wed, 25 Jan 2017 15:42:46 +0000

Hi [REDACTED]...could you please send me a picture of your drivers license or passport? I need to provide a copy of your ID to the security people for Ehud Barak...in order for you to enter his apartment and clean, they must do a background check on you...do not be alarmed, every one of our staff has provided their ID as well...

Also, please discuss with [REDACTED]/Merwin about the procedure for entering Ehud's apartment before cleaning...

Thanks! [REDACTED]
