Hi [REDACTED],

Hope you're well and thank you for your help!

Yes, we would like to arrive to NY together on **March 30** if possible, departing from **Vilnius** airport;

I've just checked again with my friend [REDACTED] (I will send you her passport copy as soon as she gets back home and sends it to me) - she actually would need to depart on **April 11**.

Meanwhile, I would have to depart on **April 23**.

Thank you so much! I will send to you my passport copy in following email.

[REDACTED]: Arrive NY March 29/30 and depart on April 23

Your Friend: Arrive NY March 29/30 and depart on April 12

I need to know from what airport you will be departing from please.

Thanks and hope all is well.
