Hi Mickey...the Governor called but Jeffrey was on another line...he said he would call back in 10 minutes but I guess he was not able to...Jeffrey waited around for a bit but will now not be available until 2pm...hopefully he can try again then...or if not, just have him try whenever and we can keep our fingers crossed!

Yes. Governor is on some short flights today, but will make sure to call.
What number should I give him?
Thank you,
m

Hi Lesley,

Happy Monday :)
Wanted to check in to see if Jeffrey had a chance to look over the proposal.

I hope I'm not bothering you with these, and if Jeffrey decided not to do this, that is fine, but Governor Richardson wanted me to follow up, as we need to make program decisions for the year.

Please let me know your honest assessment of this.

Thank you so much Lesley, really appreciate your help,
Mickey

Hi Lesley,

I hope you are doing well.

Wanted to quickly follow up with you to see if Jeffrey read through Governor Richardson's proposal, and whether we should set up a time for them to speak.

Thanks so much,
Mickey

Dear Lesley,

Happy New Year. Per your and Jeffrey's request, I am reaching out again with Governor Richardson's proposal and materials.

Please let me know if you are able to provide this to Jeffrey, and let me know if he would like to follow up directly with the Governor.

Please let Jeffrey know that the Governor will be in NY on January 11th and can make himself available, in caae Jeffrey wants to see him and discuss this in person.

Thanks so much Lesley,
Mickey
