Bonjour Karen,

It was a great pleasure meeting you yesterday too.

Thank you for the visit, and to all your team which allow me to come and visit these two beautiful islands.

I would like to thank also Mr Jeffrey and Lesley.

I just arrived at my office and the travel has been very safe.

Next step: I have some questions (program, situation, architectural style ...) so I will prepare them and I come back to you very soon.

Kind regards.
