I called the number,. A young lady answered,.
I don't recognize the number, I gave Larry Morrison my old iPhone 5 so there was no cost 2 years ago,.
Maybe that phone charge was when I upgraded my phone to iPhone 6?. But I think that phone number is tied to
that iPhone 6, I don't recognize that number at all in my address book

Thx
Larry

Hi Bella,,
From Larry Morrison, invoice,.

There is a phone number [REDACTED] that is tied to my old ATT account,.
I don't recognize the number and when I call it a female answers,.
Not sure if we are paying for this,. Or it's fraud??
Can you check with ATT?

According to Larry Morrison there is a balance owed for new iPhone 6 of \$250 remaining,. Not my phone,.
It could be a JE assistant girl phone,. But not to my knowledge,. Can you assist please, when you have a
moment?

Thx

Good Morning Lar,

I hope all is well. How do you wish to handle the attached? Apparently when I transferred over my cell phone to my family plan there was an installment plan for an iPhone 6 (which is not my phone) attached to the account that I was not made aware of prior. I do not wish to disrupt anyone's service. If you wish to send me a check for the Balance remaining I'll just continue to make the remaining payments until it is a \$0 balance.
Let me know.

Thanks,
Larry
