Jeffrey,

how are you ?

Yesterday night they stole my phone at a nightclub... I had everything on it.

I tried to find it through iCloud locator but it says it's offline so I'm going to do the reinitialisation now so that no one can access my content.

I also kept the codes of my online banking on it and don't know how to check my banking statement now. I will call the bank tomorrow and ask if they can give it to me by phone, if not I will need to go back to Rome to get my codes back.

I've almost finished all my money I think, and I can't buy a new phone.
