Please see below from Dr Tings office re your procedure. You will need an EKG and blood work prior to the surgery as you will be lightly sedated. Elsa in Tings office will send me the requirements. We could ask Dr Merrell if he can possibly fit you in tomorrow for this or do you have a doctor at the ranch? Or perhaps wait for Fri March 3 and have done with Moskowitz in PB?. You must have time for all results to come back prior to the surgery on 15th

Elsa what about Wednesday? Can we get time in amb surg that day?

Or Tuesday after I'm done at MsBi? That would be around 3 pm.

Can you check with Asmail to see what OR time is available?

Thanks.

Leslie - we should have an answer by tomorrow.

Jess
