DROP ACID WITH THE SKINOVATORS!*

(*NOT WHAT YOU'RE THINKING!)

No, you're not hallucinating, we really are suggesting you come to [The Institute](#) for an acid trip—for your skin!

Maligned by pop culture and sour candy, acid really does have a bad reputation. But [dangene's acid wash](#) is composed of Trichloroacetic acid (TCA), a powerful anti-aging tool for a host of areas, including the face, hands, chest, and more. Its gentle power removes skin flaws, revealing the gorgeous skin below.

Call 212 249 8172 or [email](#) us to make an appointment for a TCA treatment today and treat your skin to a beautifying acid transformation!

DANGENE'S LASER JOURNEY

In my relentless pursuit of perfection, my skinovators and I have designed a customized, laser-focused, Skinovation program. The results have been remarkable, transcending even my rigorous expectations of

GET YOUR LEGS SUMMER READY

The countdown to bare leg season begins now: if you're going to have those stems looking smooth and gorgeous in bathing suits, shorts, and/or mini-skirts, it's time to start your vein treatments. Once the weather heats up, you'll have to say goodbye to tights, so call or email

what is possible.

As we grow old, our skin is able to retain less and less moisture. When this happens, the body slows down production of both new skin cells and oils. The production of collagen in the body also slows down. Because collagen is the protein which helps the skin stretch and contract, this affects the skin's elasticity.
