Hey Rich..After closer inspection I realized 11P is actually a studio apartment...and it is the only one we will have March 30-April 2/3...I'm sure it is nice but totally up to you and [REDACTED]...she could even go have a look at it if she would like...just let me know...the code is [REDACTED]. It is possible we could have 3M available (this is [REDACTED] apartment) 3M is a one bedroom...

I do wish [REDACTED] the BEST...Let me know what you would like to do when you can...I am holding 11P for her!
