Ok thanks. She is getting her shoulder replaced – so hopefully easy – but it is the first medical event for her without my father -

Hi [REDACTED], I don't know the exact time I will be there. Staying in the city as my Mom is having surgery at Hospital for Special Surgery. I am not sure yet if they will take her in the morning – and probably will stay at hospital till she is out of surgery. I will keep you posted as soon as I have a better time frame. Thanks for your help Jeanne
