Dear Jeffrey,

As it looks like winter is having a very difficult time saying goodbye, we wanted to update you given tomorrow's forecast.

We are working diligently to make sure that you have a place to come in from the cold at your home away from home.

Although our restaurant service will not be available, we hope you will not hesitate to come in, enjoy the library, get in a workout and warm up with some hot chocolate and treats.

Stay safe and warm!

Your CORE: team
