Hi Richard,

Sent invite earlier this evening. I would like to confirm date and time (Friday the 17th at 10:30AM) by Monday morning if you are able. FYI, next Friday is St. Patty's Day, the City may be a little nuts.

Thanks so much,

Jim

Hi Richard,

Sorry it took a few days but I am still in the process of confirming the availability for the Winsted specialist, with palate samples for next week. Please let me know if you will have and executed contract to me which enables me to lock in a time for you, [REDACTED] and myself as soon as I have confirmation from him. Hopefully today and perhaps Monday at this point.

Looking forward to seeing you

Jim

Hi Richard,

So happy to hear you're moving forward.

As I offered during our conversation earlier this week, once we have an executed contract in hand we will bring the rep from Winsted with us to finalize the surfacing requirements for the console design that we have offered. I hope to speak with our rep tomorrow to determine their availability for next Wednesday or Thursday **based upon a contract in hand** and ask them to bring the Wilsonart Laminate templates in order to finalize your selection. I, of course, will be joining him.

Respectfully,

Jim
