Haha yes! I turn the news on while [REDACTED] getting ready in the morning (weather/traffic reports) and they kept mentioning Ides of March and [REDACTED] like ooooh, it's [REDACTED] anniversary today! haha Hope Ike has something special planned ;)

I know - the piles of snow is annoying and everything is frozen and never going to melt! I hope that's the last of snow/winter and we move on to Spring, finally! It was a nice, relaxing day. Much needed!

Bebe! I can't believe you remembered! Today is the day! 14 years ago I married the man of my dreams!
Our day was a gorgeous, sunny Spring Day! Totally NOT what we have today! Thanks for reaching out...

Snow was 12-14" ..not as bad as the 24" they were predicting...very happy about that...however we do have tons of snow which will take forever to melt especially where the plows have pushed it into huge mountains!...I stayed inside all day long yesterday cooking! Hope you enjoyed your snow day as well! :)

(and you know now that JE is meeting with D and R at 11:30!)
